

## **Chair, Development Committee of ARF**

It's been a long-time way back since we meet up in Jakarta, I am keeping my contact with Ms. flora and Mr. Nicholas

Currently, I'm doing my best on my side to find a sponsor, and I visited couple of companies, and meeting up with businessman as well.

One of them is Toyota, second one is commercial bank, third Qatar National Bank(QNB), fourth NBK and lastly Mercedes Benz Company. They told me that we need to wait for the new budget, some of them they say we will for the new year

According to the marketing people that I sat with, it will look better and recommended if the Proposal is comes from the Chairman of ARF.

However, they are some few companies are likely more to go, but of course I don't put the price on it and some of them I'm still waiting for their answer.

I have good suggestion, why don't we meet every three months to enhance more our organization and make some Group chat in whats app to keep us posted, so we know where we are and where we stand.

And I hope that it's gonna be successful for the year coming.

Thank you for having me here and to all listeners thank you for listening.
