

## Annex 5

# 2018 Asian Rowing Federation Committee Chair Meeting

- Seung Hoon Han  
Para-Rowing Committee

# Goal: long-term (2022)

- To include para-rowing events (maximally, 9 FISA events) at upcoming 2022 Asian Paragames
- To develop para-rowing in all Asian regions
- To improve performance skill of Asian para-rowers
- To provide more Asian para-rowing regattas from ARF or NF (e.g. inclusion into Asian cups, or regional para-rowing regattas)

# Goal: mid-term (2020-21)

- To activate para-rowing in all Asian regions, especially, southwest, central, and middle east regions
- To increase the number of participating countries at Asian rowing championships.
- To provide an opportunity to improve performance skill (e.g. advanced workshop and training camp for skilled para-rowers)

# Goal: short-term (2019)

- To continue four paralympic para-rowing events (PR1M1x, PR1W1x, PR2Mix2x, and PR3Mix 4+) and increase entries in 2019 Asian rowing championships
- To support new countries which wish to start para-rowing (e.g. developmental workshop)
- To run annual workshop and training camp successfully
- To collect and share exact information on current PR status in each nation

# 2019 PRC events

- Asian rowing championship & training camp
- Coaching workshop with new FISA coaching modules
- Advanced classification workshop to raise international classifiers
- Para-rowing developmental workshop
  - ✓ Any Countries, 1 to 2 times
  - ✓ Coach, Classifier, Supporting staff

**Thank you for your support  
to Para-Rowing !!!**
