Olympic Solidarity & World Rowing Coach Education Course - Coastal Race Module

World Rowing, supported by Olympic Solidarity, will offer a Coastal coach education course entitled "Coastal Race Module".

This course is designed to teach existing rowing coaches the basic skills and knowledge required for coastal racing and training.

The course will be run by qualified World Rowing Coach Educators from 22 – 24 April (arrival on 21 April). Please consider these dates when booking flights for your coaches.

Each ARF Member Federation is invited to send a maximum of 1 male and 1 female coach to take part in the course. World Rowing will support board and accommodation for 4 nights from 21 to 24 April at the official hotel.

If a female coach is not nominated the cost for an additional (2nd) male coach must be paid by the Federation concerned.

The number of places on the course is limited so priority will be given to Federations who have also entered crews in the Championship or Qualification races.

Candidates for the course should be able to communicate in English or provide a translator from their own team.

Candidates will be required to take part in capsizing, swimming and rescue activities and should be capable of swimming 50m in light clothing and floating for at least 3 minutes.

Please also refer to the separate World Rowing course bulletin for further details and registration.
